

FAYAL TOWNSHIP

October 2025 ROAD AND BRIDGE REPORT

Check Roads at the beginning of each week along with weekly meeting. Picked up supplies, and parts from town. Post monthly township meeting minutes. Cleaned shop. Attended safety meeting. Haul material to the community piles. Did some sump pump inspections throughout the township. Did some locates. Finished hauling sand and mixed with salt for sanding the roads. Prep for yardwaste and watered the piles over the three weeks for compost. Installed a new battery on the pump for watering. Replaced the old oil pump in the shop. Started disassembling the ball field light fixtures in the storage shed. Clear right-of-ways at entrances for better visibility for plowing. Fixed up some dirt road potholes with the loader before the white stuff shows up. Prepped all equipment with winter gear. Took all the nets down and put tables away for winter. Weeded the flower garden by the town hall and tilled. Installed a new arbor in the flower garden by the town hall. Work on IRP grant. Install a new blower motor in the loader and cleaned the cab. Installed new fuel filters and air filters in the loader. Ziegler Cat came and did a health report on the loader and submitted a estimate for repairs. Went over the pager system with Mark and he is ready to help with the load. Replaced the breaker in the fire department.
