

FAYAL TOWNSHIP

August 2026 ROAD AND BRIDGE REPORT

Check Roads at the beginning of each week along with weekly meeting. Picked up supplies, and parts from town. Post monthly township meeting minutes. Cleaned shop. Attended safety meeting. Haul material to the community piles. Help with sump pump inspections. Worked with Bolton & Menk on road projects.. Removed a tree from Airport North that was hanging over the road. Installed on tail light assembly on th red ford. Took the drivers side door apart on the red ford and welded the door track and the door for correct window operation. Brought a load of class 5 to Peary Road South and graded the entire road. Brought class 5 to Airport North low spot and spot graded. Took Kris out to all lift stations and showed her the correct operations of each one- she is now on the pager and everything is going good. Started clearing and mowing all right-of-ways with the john deere pivot mower for the loader. Hauled all the compost to 97 black dirt for screening. Called MN dot about the culvert needing replacement on Horseshoe Lake Drive and HWY 53.
