FAYAL TOWNSHIP

September 2026 ROAD AND BRIDGE REPORT

Check Roads at the beginning of each week along with weekly meeting. Picked up supplies, and parts from town. Post monthly township meeting minutes. Cleaned shop. Attended safety meeting. Haul material to the community piles. Help with sump pump inspections. Called Zieglar Cat for a quote to repair the loader ac. Upper and lower lots were seal coated and the striping is complete. Called for an ac quote for the town hall. Had to clean up from another storm this summer. Worked on LS-N phase fail and found a bad breaker on mpl side of it. Did locates while Rick was on vacation. Finished mowing all the right-of-ways in the township and removed the mower and all the guards from the loader. Repaired three driveways that were damaged from flushing hydrants. Called on damaged phone line on North Airport for repair. Had to reset the internet in the building and plug the cords into the correct outlets when a power failure happens. Limb trees by the recycling for better viewing for the cameras. Work on road bids for West Long Lake Rd, Park Dr., and Differding Point. Looking into possible lighting for the parking lot of the town hall. Found a wiring issue with the main power going to the skate garage- This is ongoing with Hometown Electric.
